

## STGC OBANE

Greetings Knights.

I must start off by wishing Principal Campbell, her staff and support team every success they so richly deserve. I want to wish all the Chapter Presidents continued success as you continue to make invaluable contributions to our beloved Alma Mata. I must applaud the Sports Council led by Lascelle Powell for the not only making themselves more visible but for coming up with innovative ways to raise funds so that they can effectively support the various sports disciplines.

I also want to thank the STGC OBANE Board for the hard work that they put in daily, the personal sacrifices made and please know that it's greatly appreciated. Most importantly I want to thank you KNIGHTS, both current and past students, without your continued and growing support none of our achievements would have been possible.

The St George's College Old Boys' Association of the North East remains committed to its mandate, to provide financial support or otherwise to St George's College and to contribute to developing the mental, social, physical, spiritual and emotional well-being of the student body.

STGC OBANE has had relative success this past year 2023 in terms of raising funds. I cannot emphasize enough how your continued support is crucial to meeting our goals. I want to thank you for supporting our Mega Drawing and Roper Cup New York 2023. You can always make contributions via Zelle: [treasurer@stgcobane.com](mailto:treasurer@stgcobane.com) or <https://stgcobane.org/>. Please note that our website is currently being upgraded. Please feel free to browse at your leisure.

I must make mention of the continued collaboration between all chapters and the hope is that OBAs will be stronger and will always united.

We look forward to continue supporting the young Knights in 2024 and as always we welcome your continued support.

Ad Majorem Dei Gloriam ~ For The Greater Glory Of God
