

Weather did not dampen our spirits

Saturday, August 17, 2024 Milne Park, Markham

STGC ICHS AND ALPHA CELEBRATE FAMILY PICNIC

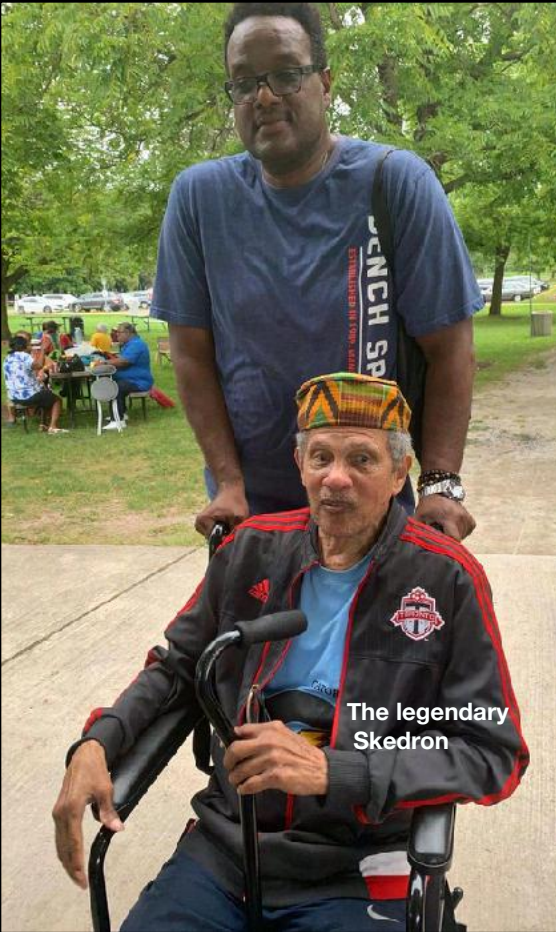

Forecasts of heavy downpours did not deter large numbers of alumni (STGC and their sister schools, ICHS and Alpha Academy) from attending our annual picnic at Milne Park in Markham, ON. The sun was out as families and also visitors from out of town arrived. Banners and tents were setup and picnickers were greeted by the presidents of the three alumni associations. After Grace before meals was said, all were treated to generous portions of sumptuous Jamaican food, to finish just in time before a deluge put an end to festivities. Regardless, fun times were had by all: a chance for families to meet, and for friends and school mates to reminisce about the good ol' days. Thanks to all the volunteers who made the event a memorable, albeit a short one. The Georgian spirit is alive and well, celebrating yet another successful event in 2024. Hope to see even more of you next year.
